THEATRE BUSINESS

It is important to undertake this training session if you would like to serve as steward for any production.

Raising funds

A unique opportunity to raise money and promote the Theatre at the same time.

North Devon Journal has chosen HATS as one of their six charity organizations to benefit from their regular feature 'Torrige Your Pics'.

All you have to do is send in photographs of any subject to interest local readers eg. family pets, sports events, rehearsals, productions, charity events, birthday parties, social occasions - in fact anything within reason!

Anyone can do this, so encourage friends and family to help us raise some money. Last year one charity raised £450. Let's see if we can beat that amount!

For every photo published, HATS will receive £1, providing that the sender nominates HATS as their chosen charity. EASY!

The offer runs from now until 4th September 2009.

Digital photos can be sent by email to kfell@c-dm.co.uk or posted with a SAE to:

Your Pics Torrige, North Devon Journal, Avery House, Liberty Road, Roundswell Business Park, Barnstaple, EX31 3TL.
