RECENT PRODUCTIONS

Peter Pan the pantomime. January - February 2009

Yet another spectacular success for HATS! The audiences loved the flying, the children loved the fairytale and and everyone enjoyed the humour. A brilliant first production for Ray Howe and Malcolm Withall, ably directed by Lesley Wonnacott. In spite of snow and two nights' cancellation, an extra performance limited the losses to income, with just £400 refunded on returned tickets.

Note: we are looking for producers for next year's pantomime. Anyone interested please contact any committee member, or HATS chairman, Phil Barfett on 01409 254914.

THEATRE BUSINESS

Wonnacott trophy This was awarded to Tom Rolinson for his unstinting, consistent and cheerful assistance backstage in almost every HATS production since he became a member. Congratulations and thank you Tom!

Planning permission has now been granted for the extension at the rear of the theatre. Discussions are underway regarding the layout which will incorporate a new boiler house, extended wardrobe storage area, extension of dressing rooms and new toilets.

An information handout is being prepared listing HATS contacts for various departments within the theatre, primarily to enable new members to know who does what.

Main committee has agreed that for future productions, Stewards should only carry out their duties to assist and protect the public, and not to sell ice creams in the interval which it was thought could affect the theatre's insurance position.

NODA SW conference training weekend, 5th-6th Sept 2009, The Palace Hotel, Torquay. A weekend of workshops with hotel accommodation, lunch, gala dinner dance and presentations, costing from £125 per person.
