Tank Sherman & Ruby Washington

We had Westcountry comedian 'Tank Sherman & vocalist 'Ruby Washington' at the theatre on Saturday 9th June.

After ten minutes of non stop laughter, Tank Sherman introduced 'Ruby Washington', who over the next hour entranced the audience with a range of traditional and soul songs.

Following the interval 'Tank Sherman' returned to treat us to over an hour of continuous gags.

The evening was well presented and the set stylishly constructed and beautifully lit, it was a shame more people didn't attend.

For those who attended - thank you for your support and for those who couldn't make it - you missed a fabulous evening.

Thank You!
